Is your congregation healthy and growing?

Want to explore how to begin assessing the health of your church?

Come and join us for the first in our 'How to' sessions!

This session will explore what makes a church healthy –

- Thinking about the tools needed to assess the health of a congregation
- Looking at 6 areas of church life – Welcome, Worship, Discipleship, Pastoral Care, Fellowship and Outreach/mission.
- How to begin working with the findings.
